"The Store Where Quality Counts"

Keep-cool Comfortable Waists for Warm Summer Days

—The secret of keeping cool is to look cool; and one certainly does "look" cool with a fresh, clean, crisply-laundered wash waist.

—And here are the kind of Waists that will launder and launder well; that are so well made of quality fabrics that they really invite frequent tubbings.

—Add to this the fact that they are winsomely styled and very modestly priced and then you'll appreciate the fact that Blouse buying here is the prudent and economical thing to do.

New Wirthmor Waists \$1.50

—The new Wirthmors just came in, and they're just as pretty as can be. As to the quality, nothing need be said, for the very name insures high quality always. But let us emphasize the fact that they are superbly made and faultlessly finished throughout and that every Waist is guaranteed to give complete satisfaction. It's the WIRTHMOR PLAN that makes these wonderful values possible.

There can be just one Wirthmor Store in every city, in this city these famed waists can be sold here only.
